

## ATHLETICS

### PERMISSION TO TRAVEL 2017-2018

Some athletic events require additional travel time beyond what is available between the end of school day and the start of the event. In order to provide for adequate travel time, coaches may request that students be released from school prior to the end of the school day. This form grants the coaches permission to remove the students on an as needed basis to travel to those athletic events. The coaches understand that this will be kept to a minimum. Please read the following carefully and sign where appropriate.

Coaches of athletic teams at Granville Christian Academy have my permission to remove my son/daughter from school prior to the end of the school day in order to travel to athletic events when necessary. It is understood that once my son/daughter is released from school that they will be in the care of the coaches and whoever is helping them to travel to the athletic event. Granville Christian Academy will be released from any liability for my son/daughter after they have left the school property.

**My signature below is recognition that I have read and agree with the statement above. I give my permission for the coaches to make arrangements for the removal from school and transportation of my son/daughter to athletic events when they deem it necessary.**

I have read the above statements and **do not** give my permission for my son/daughter to be removed from school prior to the end of the school day in order to travel to athletic events. I will provide transportation for my son/daughter to the athletic event realizing that, due to the travel time required, they may not arrive prior to the stated starting time of the event.
