**GCA BOARD MEETING MINUTES
OPEN SESSION
FEBRUARY 3, 2020**

- 1. Call to order** of the GCA school board open session was made by President Justina Nadolson at 6:30 pm in the SHBC Fireside Room.
- 2. Roll Call** – Phill Demarest, Julie Dickson, Dan Keiser, Mark Law, Justina Nadolson, Brad Pilkington, Woody Rose, Jason Stump, and Shari Swonger. Head of School Lee Reno.
- 3. Prayer and Devotion** – Dan Keiser spoke about our true identity, the positive and negative influences that shape our kids, ourselves, and our school, and the source of our true identity. We love our kids for who they are, not for what they do or how they act, which is compared to the negative voices and influences from the world around them (do more, be more, negative body image). Gen 1:26—let Us make man in Our likeness. Adults are impacted as well and we need to remind ourselves that we are made in the image of God. Jer 1:5—we were created for a purpose before we were born. Ps 139—God is familiar with us and knows us, He has created us to handle what is coming at us. How do we handle it? Go back to the Author and re-learn who we are. GCA’s truth in our foundational documents is our author that we can go back to and build on.
- 4. Student Council Presentation – 1.** Nate Hegenberger—homecoming dance had 69 students, Lee’s Chicken was provided, Brian Hassel and Ross Carter were the DJs. Spirit Week theme was salad dressing, and the seniors, kindergarten, and 7th graders won. Next is the Dodgeball tournament 3/13, iReach 4/24. iReach still needs adult chaperones and volunteers. NHS induction next week during chapel, Judge Matthew George will speak.

The high school student council representatives left the meeting, and the Board began closed session.
